

# PLEDGE OF REWARD FOR INFORMATION LEADING TO THE ARREST AND CONVICTION OF PEOPLE SHOOTING CATS IN LOUDOUN COUNTY

December 14, 2020

To the citizens of Loudoun County and surrounding areas:

We are a coalition of animal welfare organizations who are deeply disturbed by the shooting of cats in Loudoun County. Preying on helpless animals is a cruel act of cowardice, and animal cruelty of any kind cannot be tolerated.

The Board of Directors for each of the organizations and groups listed below are pledging a reward of \$1,000 for information leading to the arrest and conviction of the individual(s) responsible for the cat shootings. Together with the pledge by Friends of Loudoun County Animal Services the reward for information leading to the arrest of the people responsible for these crimes is over \$8,000.

We are asking anyone who has information about these crimes to contact Loudoun County Animal Services at (703) 777-0406. You may remain anonymous. We also ask that you share this information on your social media pages and with all your family and friends.

Somebody knows who is shooting the cats. Please come forward with information and help stop these cruel acts. Do the right thing and you will be rewarded.

We must stand together and stand firm that animal cruelty will not be tolerated in our community.
